

DOWNTOWN TROLLEY, INC.

was founded in 2000 by UW-Madison Professor John DeLamater to build public support for streetcars in Madison.

Its activities include testimony at public hearings, presentations to civic organizations, informational tables at public events, and publication in the local press.

Learn more about Downtown Trolley, Inc. and about streetcar projects around the country by visiting

www.downtownrolley.org

You can support these efforts by joining Downtown Trolley. Members will receive notification of streetcar related events, updates on the streetcar planning process in Madison, and a copy of the American Streetcars calendar.
